### OUR VALUES

**Different goals require different approaches.**

At the heart of our business are our partners: the entrepreneurs and management teams we back; the investors in our funds; the advisers and intermediaries we work with; and the banks and other lending institutions to our deals.

#### Winning

We are here to win. We are constantly improving, and are committed to out-thinking and out-executing our competitors. We take on what others dismiss as impossible, and solve the hard problems that others walk away from. This is why we hire the best.

#### Integrity

We do things the right way, without compromise, the first time — every time. We are direct, decisive and, above all, accountable. We practice sound judgment and common sense in our actions that conforms to the letter and spirit of the law at all times. We win on the merits, with integrity.

## Who We Are

For over 5 years we've been helping people take control of their financial future. That's because we've stayed true to our core beliefs, our commitment to community and our approach to investing. Today, we're one of the world's largest Asset management organisations, managing more than \$2.2 trillion, we've helped investors succeed by remaining true to our values and approach.

They include a distinctive way of managing money, an emphasis on research, a long-term view and a recognition of the power of relationships. Helping investors succeed has helped us grow. Today, we're one of the world's largest investment management organisations

## Our core beliefs

We believe a financial goal is more than a number to you. It may represent a new home, a small business, a comfortable retirement or a college education. To help you go from dreaming to doing.

We believe that investing is the key to wealth creation and securing a better financial future. Especially with governments around the globe retrenching fiscally and people having to become more self-sufficient to provide for their future financial security.

Clients are at the heart of our business: Investing clients' money is why we exist. Our purpose is to provide choices and optimal financial outcomes to clients, whether they are individuals, employers, financial advisers or institutions We act with integrity. Our clients expect us to apply responsible and sensible stewardship standards when we invest for them. We behave ethically, with fairness and equality. And we recognise that, as a responsible allocator of capital, asset management companies like ourselves play a key role in sustainable economic growth and job creation.
